Preface

Study Association POLIS is since its founding on May the 3rd, 1991 the study association for students Organization Studies and Global Management of Social Issues. Study association POLIS is committed to create opportunities for its members wherein students Organization Studies and Global Management of Social Issues can develop themselves, get in touch with fellow students, Tilburg University and the business sector for over 25 years.

The strategy plan that is in front of you will serve as guidance during the association year of 2016-2017, which was established after various brainstorm sessions and multiple meetings. By prudently evaluating and criticizing the past years, by exposing both the weak as well as the strong aspects of Study Association POLIS and by the elaboration and conceptualization of our own personal ideas and visions we established this strategy plan. This strategy plan, in which a critical point of view with respect to the association is a recurrent aspect, will serve as guidance this year for both the board and the members.

We feel honored and consider it a privilege that we are the board of a study association which is committed to successfully enrich the studentship of its members for years. We will devote our time in association year 2016-2017 to contribute to Study Association POLIS and by doing so we attempt to guarantee the continuation of the association.

We would like to thank the board of 2015-2016 for their effort, motivation and expertise. With the help of their time and energy the board of 2016-2017 was established and they made it possible for us to start the upcoming year well-prepared. They helped us to adapt a critical vision regarding the association and we hope that we will continue this prosperous collaboration during the association year of 2016-2017.

Similarly, we would like to thank previous boards and all members of Study Association POLIS for always committing to the association. 25 years of boards, 25 years of experience, knowledge and enthusiasm. This made Study Association POLIS the beautiful association it is like nowadays.

On behalf of the board of 2016-2017,

Sander Jacobs

Chairman Study Association POLIS
